## **SR MAX 300**

The SR Max 300 is a Maxi Scooter that brings the Aprilia racing DNA to the Scooter product like no other before it.

The SR Max puts the Aprilia sporting spirit on the road for pure enjoyment and riding pleasure whether being used for around town commuting or higher speed riding on highways where it is equally at home.

The SR MAX 300 was inspired by the racing world and is a scooter which guarantees top performance and great versatility whether on daily commutes or longer weekend outings. Suitable for every day travel, but also designed to provide an exciting ride for longer trips, the Aprilia SR Max 300 promises to deliver in any condition and every situation.

Featuring a single-cylinder 4 valve liquid cooled, electronic injected engine; characterised by a 75 mm bore and 63 mm stroke, The SR MAX reaches maximum torque of 23 Nm at 6000 @ rpm. The result is excellent torque distribution and consequently fast acceleration for when it's needed.
